

**NF-2**

# Window Intercom System

(Two-way Talk Enhancement System)

Ensure your voice is clearly heard  
through the counter shield

**With NF-2, there is no need to speak loudly through the counter shield anymore!**

### Compact & Lightweight

The communication station can be installed in small spaces which is out of reach to other bulky or heavy communication equipment.

Receptions

Hospitalities

Retail Stores

### Instant Installation

Simple wiring and mounting process makes it suitable for even temporarily booth setups and/or relocations.

A magnet is pre-mounted on the backside of the station for tool-free quick installation back to back. The optional magnetic plates with a double-sided tape are also included for more flexible installation

My voice

can be heard clearly

### Sophisticated Audio Control

Boosting higher frequencies to compensate intelligibility lost with the use of partitions. Higher frequencies also ensures lesser sound spread

### Product Information

#### Mic/Speaker Unit:

Dimensions (WxHxD) : 60 x 60 x 20 mm  
Weight : Approximately 50g (per unit)  
Mounting method : Magnet mount

#### Control Unit:

Dimensions (WxHxD) : 127 x 30 x 141 mm  
Weight : Approximately 225g  
Power Source : 9V DC (optional AD-0910)

Optional Accessory : Extension Cable 5m (YR-NF5)
