

The image features a young girl with two braids, wearing a blue and white checkered shirt, sitting at a desk in a classroom. She is smiling and looking towards the camera. The background shows other students and a chalkboard. Overlaid on the image is a stylized, wavy graphic in shades of purple and pink, resembling a nebula or a space-themed design. This graphic contains several small, golden icons: a rocket, a satellite, a planet, a star, and a satellite dish. The text 'newline' is written in a white, lowercase, sans-serif font at the top, and 'TECHNOLOGY TAILORED TO TEACHERS' is written in a white, uppercase, sans-serif font in the center.

newline

TECHNOLOGY **TAILORED** TO  
TEACHERS

# DARE TO **SPEAK** TO THE UNIVERSE LET IT **VISUALLY** GUIDE YOU

Technology and visual input are essential to today's learning environments. Besides helping get information across quickly and efficiently, integrating screens into learning programs helps maximise focus and minimize distraction in your classroom.

Newline puts intuitive tuition tools at your fingertips, helps teachers build an engaging, dynamic learning environment and brings efficiency to your classes. Inspire students to participate and interact and give proactive learning a boost!

Take your classes to a whole new level.

SHOOT FOR THE *Stars*

## TECHNOLOGY **TAILORED** TO TEACHERS

All Newline interactive display features have been developed to offer you maximum support without any complicated procedures that detract from the essential interaction between teachers and students. Newline's aim is to make touchscreen use and integration in the classroom as easy and natural as possible in order to let you focus on teaching exactly how you want and offering students the help they need.

- ✓ Antimicrobial coating to keep you safe
- ✓ Embedded blue light filter to protect your eyes
- ✓ Ergonomically positioned menu keys
- ✓ Software to use any of your existing content incl. flipchart and notebook lessons
- ✓ Personal user profiles
- ✓ Compatible with any hardware and software, super easy to connect to

## WHY SETTLE FOR LESS? **ANDROID 11**, THE **SECUREST** OPTION!

Safer, better and faster than ever, meet Android 11. For the development of this OS, security has been the main focus. Due to a number of small but important features and changes, Android 11 has improved privacy and the protection of user data from malicious apps and games. Did you know, that Android 11 is the first Android that can be disabled through Android Safe Mode!

## OUR ANTIMICROBIAL GLASS KEEPS YOU **SAFE, SAFER, SAFEST!**

In most schools, interactive displays know multiple users ranging from other teachers to students working and collaborating on the display. This way, germs are easily spread. Newline has implemented a TÜV certified antimicrobial coating on the interactive displays for education to protect you!

*Control the digital universe  
in your classroom*

## NEWLINE'S INTERACTIVE **EDTECH ECOSYSTEM**

Make optimum use of the available digital content, apps and devices in your classroom through our all new and easy to use interactive ecosystem. As modern classrooms rapidly evolve, more and more systems, solutions, tools and digital content arise. It's up to the teacher to find a way in this digital jungle. The challenge becomes how to make optimum use of curriculum content in combination with supporting digital content, apps, devices in the classroom and content from students. Another challenge is how to keep students engaged. Ease of use and flexibility are key to connect all of this together and orchestrate the lesson to your preference. Newline has developed an interactive ecosystem that contains simple to use software tools. Discover Newline's interactive ecosystem and experience how you can retain more control over the digital jungle in your classroom!

newline **WHITEBOARD**

## MOST USED TOOL **IN THE CLASSROOM**

Unmistakably one of the most important tools in the classroom... the interactive whiteboard! Standard embedded in all Newline interactive displays, the Newline whiteboard is easy to use and full of practical tools. Just power up the display and the whiteboard is ready to use. No need to connect a computer. Simply login with QR code to save your annotations quickly into your Google Drive. Import images from the web straight into the whiteboard, open documents, use math tools, sticky notes whatever you need. Want to let more students use the whiteboard at the same time? Split the whiteboard in up to 3 parts with individual toolbars! And... the annotation tools of the whiteboard can be used separately over any content, webbrowser or lesson.

# newline CAST

## SIMPLE, SMART AND SECURE SCREEN SHARING

Newline CAST is the most flexible solution for wireless screen sharing and is integrated in all Newline interactive displays. In just seconds you can easily share any screen over any network or use the secure mode for in-room casting. A truly hassle-free solution that allows multiple presenters to share screen, video, links and files. Bring your classes to life with the number one used browser based casting solution in the world!

Support for all devices and streaming protocols:

### WHY NEWLINE CAST IS SUPER EASY TO USE?

- No need to download, just share from your browser
- Cast to the big screen from any device
- Mobile mirroring on any network
- Freedom to move: share your screen from anywhere in the room
- Present and annotate at the same time
- Two-way collaboration, annotate and control from both your device and the interactive display
- Grid view lets you view up to 4 streams to quickly compare students work
- Full control to prevent unwanted streaming through moderator mode and secure session ID.
- Guaranteed security with unique 4-digit pin and end-to-end encryption

# newline BROADCAST

## THE ULTIMATE SUPPORT FOR YOUR **HYBRID CLASSROOM**

Newline Broadcast is a powerful streaming tool to share content from your Newline interactive display to any connected participant. Use Broadcast along your favorite conferencing software and allow anyone to view the displayed content from their device. **No matter** whether you're using content from your computer, the displays whiteboard, or apps!

newline **ENGAGE**

## EASILY **ENGAGE** STUDENTS WITH ALL YOUR EXISTING CONTENT

Lesson creation seldomly starts from scratch. Whether you have created many lessons before or not, digital content is all around us. This is why Newline has added Engage to the interactive ecosystem. An easy to use interactive teaching tool with which you can natively import your existing lessons like IWB, SMART Notebook, and Promethean Flipchart. Any content can be imported, images, video, PDF, PPT, text, shapes and much more. Use one of the free templates or use the whiteboard on the go with one of the 130+ subject specific tools. Easy peasy!

newline **APP STORE**

## USE YOUR **FAVORITE APPS**

Our curated app store features a wide and ever-expanding range of tools for education. Get started today with apps that can help make teaching, collaborating and creating learning materials faster, more fun, and more efficient. All apps are tested for full compatibility with Newline interactive displays.

# newline CLASSROOM TOOLS

## MAKE STREAMLINING YOUR LESSONS FUN!

Newline Classroom Tools is a selection of frequently used tools by teachers, like a timer and traffic light, to help keep your lessons streamlined. This widget works as an overlay when opened. You can minimize the widget, navigate between any screen and open the tools menu when you need it throughout the day.

# newline LAUNCH CONTROL

## THE QUICKEST WAY TO START YOUR "HYBRID" LESSON

With one QR-scan and a touch you can simply start any type of video call from your mobile device! Either scan the QR-code on the interactive display or connect wirelessly via Bluetooth low energy. Through connection via your Office 365 account, your calendar and lessons are visible. This way you can start your hybrid or remote class. Launch Control is designed for easy and personalized access to your Newline interactive display.

Support for videocall services:

# newline DISPLAY MANAGEMENT

## MANAGE ALL YOUR INTERACTIVE DISPLAYS

You can manage all your Newline interactive displays from anywhere through a dedicated and secure web portal. Easily control and install Apps, configure the parameters of Newline interactive displays, use the digital signage function or transmit important messages to all interactive displays. This innovative tool even allows IT administrators to remotely support users with voice and video.

### PACKAGING

For our new 2022 productline we have managed to reduce the materials needed in packaging our products. Also all of our packaging is 100% fully recyclable.

### TRANSPORTATION

Through the smaller way of packaging our products we can overall fit 46 % more in the same container! This is a big step in the reduction of CO2 trough transportation.

### WAREHOUSE

85% of the stock for EMEA is kept in the DSV warehouse. We have chosen DSV as our partner because they will reduce their total CO2 footprint by 40% before 2030.

### MODULAR SYSTEM

Our new products have been built in a modular way. You can build the products up to fit your needs. This way we reduce using materials that will not be used. On top of this, our new products are upgradable. This ensures a much longer product lifecycle. Important for the environment and your budget!

### ENERGY EFFICIENCY

We are putting in all the effort to make our products as energy efficient as possible. CE (EMC + LVD + FCC + red), RoHS, Reach, Energy efficiency, Energy star (product and size dependent)

### COMPANY CERTIFICATES

ISO 9001  
ISO 14001  
ISO 27001  
ISO 45001
