YOUR BENEFITS

Founded in 1910, Denon enables the moments that matter through the relentless pursuit of quality, innovation and audio performance

Engineered with two dynamic $\frac{3}{4}$ " tweeters, two robust 2" mid-bass drivers, two powerful 6 $\frac{1}{2}$ " woofers and sound master tuning to enjoy exceptional sound quality from a single speaker

Enjoy Spotify, Apple Music, Amazon Music HD, TIDAL, TuneIn, Deezer and more via Wi-Fi, AirPlay 2 or *Bluetooth* connection

Use AirPlay 2 to stream Apple music wirelessly to your Denon Home 350, or group with other AirPlay compatible speakers to fill your entire home with music

Denon Home 350 allows for gapless playback of high-resolution files including 192kHz/24-bit FLAC, WAV, ALAC and DSD 2.8/5.6MHz via Network or rear USB port

Easily access your music via *Bluetooth*, USB and network shares

Use the free HEOS app to effortlessly set up the Denon Home 350 on your home Wi-Fi network

Store your three favourite internet radio stations to enjoy when you want, without the hassle of searching your smart device

Either listen to the same song throughout your home, or play a different one in every room, to enjoy wireless whole-home audio for every occasion

Group other devices (AV receivers, sound bars and speakers) with HEOS Built-in to play the same or different audio content in multiple rooms, wirelessly

Simply download the HEOS Home Entertainment skill from the Amazon Alexa app and enjoy easy voice control from any Echo device (sold separately)

The free HEOS app is available in iOS and Android stores

Wireless Whole-Home Audio

Play your favourite music wirelessly throughout your home for a seamless, multi-room listening experience. Whether you want to listen to the same song or play different songs in each room, the Denon Home 350 lets you enjoy your music, how you want it, with the Hi-Fi quality sound you expect from Denon.

Denon Sound Quality

With advanced 3-way acoustic hardware in a stereo configuration, expertly tuned DSP and premium drivers, the Denon Home 350 delivers amazing, expansive sound for your Hi Res and wireless collection.

Your Favourite Music, at Your Command

Stream your favourite music from Spotify, Apple Music, Amazon Music HD, TIDAL, TuneIn, Deezer and more via Wi-Fi, AirPlay 2 and *Bluetooth*.

Hi-Res Audio, Without the Hi-Fi System

Enjoy music with superior detail and precision. With HEOS Built-in, the Denon Home 350 can play Hi-Res ALAC, FLAC and WAV files up to 192kHz/24-bit, as well as DSD 2.8MHz and 5.6MHz tracks. Listen to your Hi-Res collection with the accuracy and attention to detail your music deserves.

6 Quick Selects to Store Your Favourite Stations

With 6 quick select buttons, easily store your favourite internet radio stations to enjoy when you want without the hassle of searching or looking for your smart device to change.

Apple AirPlay 2

Use AirPlay 2 to stream Apple Music wirelessly to the Denon Home 350, or group with other AirPlay compatible speakers to fill your home with music.

Works with Amazon Alexa

Control the Denon Home 350 hands-free with Amazon Alexa and your voice. Adjust the volume, skip to the next track and more — “Just Ask.” Download the free HEOS Home Entertainment Skill to enable Amazon Alexa voice commands. Requires Alexa app and Amazon Echo, Dot or equivalent (sold separately).

Ask your Google Assistant speaker or phone to stream your favourite songs. Control volume, play, pause, skip tracks and more.

HEOS Built-in Multi-Room Streaming

With HEOS Built-in, play the same song in every room or select a different song for each connected room — the choice is yours. With additional Denon Home speakers, sound bars, network players or AV receivers with HEOS Built-in, easily play all your music in multiple rooms from your favourite music service or source.

Simple Wireless Setup for Quick Enjoyment

Use the HEOS app to effortlessly set up the Denon Home 350 on your Wi-Fi network.

Your Music at Your Fingertips

Play music from your library with the additional USB port. Connect to enjoy MP3, WAV, AAC and WMA files, and Hi-Res files like FLAC and ALAC (192kHz/24-bit), as well as DSD 2.8MHz and 5.6MHz tracks.

Stereo Pairing Capable

Listen in true stereo. Using the HEOS app, group two Denon Home 350 speakers together and designate them as a stereo pair, such that one plays the left channel and the other plays the right channel. The Denon Home 350 speakers work as left and right speakers to provide a Hi-Fi quality system.

Use as Rear Surrounds with Denon DHT-S716H

Connect a pair of Denon Home 350's with your DHT-S716H sound bar and DSW-1H subwoofer to create up to a 5.1 home theater setup.

Proximity Sensing Capacitive Button Controls

With new proximity sensing capacitive buttons, experience the high-end interface as your hand approaches the top control panel. The capacitive buttons light up for you to touch, allowing for full, seamless control of the Denon Home 350.
