

GROOVE XXL

Klipsch®

TAKE THE CONCERT WITH YOU. WIRELESSLY.

The Groove XXL is a wireless home music system small enough to be portable, yet large enough for party-level sound in the great outdoors. Easy music streaming from any Bluetooth® equipped smartphone, music device, or computer. Solid built and aesthetically designed with touch-sensitive controls.

LEGENDARY HIGH PERFORMANCE SPEAKER DESIGN

Dual two-inch full range drivers, internally chambered to minimize distortion, provide a clean and high balanced sound up to 24kHz. A unique tuned dual-flare port system combines with a built-in 5.25 inch subwoofer for deep bass down to 45Hz. 130 watts of bi-amped digital amplification with advanced DSP equalization provides lifelike, dynamic sound at any volume level.

PORTABILITY WITHOUT THE TYPICAL DRAWBACKS

AC/DC operation and a built-in handle make the Groove XXL portable. A class-leading 22-hour capacity internal, rechargeable Lithium-ion battery gives you a festival-length dose of your favorite music on the go. Unlike tiny, underpowered competitive models, the Groove XXL's sound is designed to come through loud and clear even when competing with the typical noise at a pool party or large picnic.

A HOST OF CONVENIENT FEATURES

The Groove XXL keeps any smartphone, most tablets, and other music sources charged with its USB input (cable not included) and plays virtually any non-Bluetooth music source with its 3.5 mm input. It remembers the last connect Bluetooth device and automatically reconnects to it the next time if it's available. The included remote controls volume and muting, and most wirelessly connected music sources while they charge and play simultaneously.

SPECIFICATIONS	
AMPLIFIER POWER	130W system peak power
FREQUENCY RESPONSE	45Hz-24KHz +/-3dB
ENCLOSURE TYPE	Bass-reflex
MID/HIGH FREQUENCY DRIVER	2 x 2" (5.0 cm) Aluminum Diaphragm Fullrange
LOW FREQUENCY DRIVERS	5.25" (13.3 cm) Long-Throw Woofer
MAXIMUM ACOUSTIC OUTPUT	105 dB (0.5m near field)
INPUTS	Bluetooth®, 3.5mm Analog In, USB-A
BATTERY LIFE	22 hours
BATTERY TYPE	Rechargeable Lithium Ion
ACCESSORIES INCLUDED	Remote control, AC power cord
FINISH	Black
DIMENSIONS	7.2" H (18.3cm) x 17" W (43.2cm) x 5.5" D (14cm)
PRODUCT WEIGHT LBS (KG)	7.8 lbs (3.5 kg)
