

Add these surrounds to compatible Klipsch sound bars for an instant home theater experience. Plug, play and enjoy. After adding SURROUND 3 speakers to your Bar 48, the sound bar will automatically decode Dolby Digital and DTS 5.1 audio and provide discrete surround sound.

EASY PLUG AND PLAY SET UP

Crafted using high-quality wood materials, the SURROUND 3 speakers are designed to quickly wirelessly connect to compatible Klipsch sound bars. No extra wiring needed. Included with SURROUND 3 speakers is a specially designed and pre-paired USB transmitter that slots and conceals behind the sound bar’s wood end cap, making setup truly a breeze.

LEGENDARY KLIPSCH ACOUSTICS

One 3” full range driver per speaker surround you with clear vocals and dynamic soundtracks.

PLACEMENT FLEXIBILITY

Place these surround speakers on a tabletop, use speaker mounts or mount to a wall with the convenient 1/4-20” inserts.
