DESCRIPTION

Wireless portable speaker

Wireless portable speaker with 2 x 6 ½" woofers and 1 x 2" tweeter for high power and sound quality.

USB/microSD player and FM digital tuner, all playback formats in one device.

Two microphone inputs with independent echo and volume control, set up your own karaoke at home!

Its auxiliary input increases playback possibilities, allowing any other audio device to be connected.

Double LED ring with light effects to the rhythm of the music.

Its long-lasting rechargeable battery makes it very versatile and adaptable to a multitude of uses.

Includes remote for remote control.

Simple and intuitive to use, so that the party is never over.

Perfect for Karaoke, musical and visual ambience for small events, parties, road shows and outdoor activities.
