Megaphone Meets the 21st Century

Use this extremely lightweight, yet powerful PA system to get your point across indoors – or on the playing field. The EUROPORT HPA40 portable PA system is designed for use in all situations where you need to raise the volume of your voice to communicate effectively with a crowd or small audience. The HPA40 is the ideal PA system for business meetings, sports coaching, tour guides, outdoor activities, classrooms – or any place where you could use a little extra volume for your voice.

Super-Lightweight, Powerful Public Address System to Go

With its 5" full-range loudspeaker and 40-Watts of built-in power, the HPA40 provides superb sonic performance and weighs less than 6 lbs. The integrated battery pack is good for up to 8 hours of continuous operation – and recharges in less than four.

Own the Stage with Digital Wireless

Get wireless-ready with the built-in, dedicated connectivity of our **ULTRALINK ULM Series** wireless microphone system (to be ordered separately). Wireless gives you maximum freedom and mobility without the need to run cables. The highest-quality sound is provided thanks to the ULM's digital, license-free 2.4 GHz frequency spectrum.

The ULM wireless system combines professional-quality sound with simple setup and an intuitive interface for legendary audio performance right out of the box. Just plug in the ULM receiver "dongle", and instantly you have an exceptional wireless mic system. Freeing you from cables is the simply easy way to own the stage.

Extreme Versatility and Value

Want to play some of your favorite tunes at the picnic? Just plug a CD/MP3 player into the Line In jack and crank it up! You can even mount the HPA40 on a microphone stand for public speaking engagements. A high-quality dynamic microphone and all the accessories you'll need are included for a complete, portable PA solution.

Ready When You Are

The EUROPORT HPA40 is the perfect handheld, battery-powered PA system for those occasions you want to get your voice over the din of the crowd. With a powerful 40 Watts of output through a custom-engineered 5" full-range speaker, and everything you need included (mic, cable and stand adapter), the HPA40 is super-lightweight and always ready whenever you are. Check out this modern-day megaphone at your local [Behringer](#) dealer, or order online today.
