

THE BAR. RAISED.

INTRODUCING THE PANORAMA 3

Panorama 3 draws on Bowers & Wilkins decades of expertise working with world-famous recording studios and is our first soundbar to feature Dolby Atmos spatial audio. Thanks to Alexa voice control, access to a wide range of music streaming services and multiroom support, it's as smart as it is capable. With Panorama 3, you can experience all the films, TV shows and music you love as they were meant to be heard.
